

The diagram shows a teardrop-shaped flag template. It features four distinct outlines: a solid magenta line for the bleed size, a solid green line for the finish size, a dashed red line for the safe zone, and a dashed blue line for the pole sleeve sewing. The flag has a curved top and a pointed bottom. The text 'SIDE 1' is printed in large, bold, grey letters on the left side of the flag.

Flag Template Small Teardrop Double Sided

-  Bleed Size: 32"x77.5"
-  Finish Size: 31.75"x77.5"
-  Safe Zone: 26"x65"
-  Pole Sleeve Sewing

SIDE 1

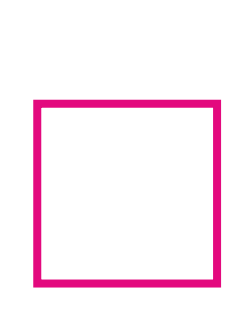

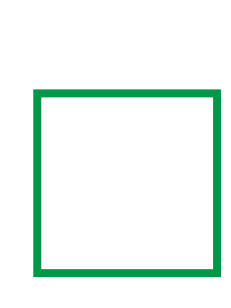

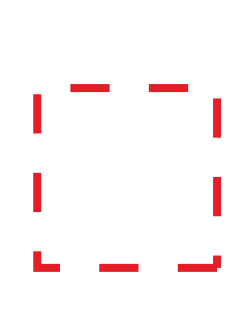

IMPORTANT!

PLEASE READ BEFORE SUBMITTING ARTWORK

- Keep your design within the ART layer only.
- Fill Bleed with artwork. Needed for finishing.
- DO NOT hide, delete or rename other layers.
- DO NOT resize template and/or change size or shape.
- Keep all important artwork inside the Safe Zone.
 - Convert all text to outlines.
- Embed all links or provide links separately.
- Use Pantone Solid Coated Colors to ensure the best color matching. Final output will be in Solid Uncoated Colors.
 - Use CMYK for gradients.
- Save and send file as PDF.

The diagram shows a teardrop-shaped flag template with four distinct layers. The outermost layer is a solid magenta line representing the bleed size. The next layer inward is a solid green line representing the finish size. The third layer is a dashed red line representing the safe zone. The innermost layer is a dashed blue line representing the pole sleeve sewing area. The flag has a curved top edge and a pointed bottom edge.
